Bachelor of Commerce with Computer Applications   2021 – 2024
RVS College Of Arts And Science   coimbatore, India

Skills

Front-End: HTML │ CSS │ Bootstrap │ Tailwind CSS │ React JS

Languages: JavaScript │ Python

Back-end: Node.js (Express.js) │ Flask

Database: MySql │ Mongo DB

Version Control: Git │ GitHub

Soft Skills: Attention to Detail │ Continuous Learning

Projects

- **Portfolio Website**
  Technologies : **React, Tailwind CSS, Flask**
  Developed a full-stack portfolio website with a dynamic backend, enabling seamless project showcasing and contact management. Ensured a responsive and visually engaging UI for an optimal user experience.

- **App Store**
  Technologies : **React, Bootstrap, API Integration**
  Developed an interactive App Store featuring three dynamic apps :
  - **Weather App** : Fetch real-time weather data and display current conditions.
  - **To-Do List** : Add and delete tasks without saving data.
  - **Quiz Game** : Display trivia questions with multiple-choice answers and show the score.

- **Web Development Projects**
  Technologies : **HTML, CSS, Bootstrap, JavaScript**
  - **VJ Siddhu Vlogs Website (YouTube Clone)** – Responsive video streaming site with custom media queries.
  - **Landing Page for E-Learning Company** – Interactive UI for better user engagement.
  - **Netflix Clone** – Built a video streaming platform replicating the Netflix interface
  - **Event Management Website** – Feature-rich platform with animations & event booking
